

The Colorado Society Sons of the American Revolution

Mark your calendar!

Greetings Compatriots!

This is your invitation to the Colorado Society's annual Summer Picnic, to be held this year on **Saturday, August 09** at Fort Lupton Historic Park, 30 miles northeast of Denver on CO 52. **Flag raising will commence by our Color Guard at 11:30.** It's a good idea to get there by 11:00.

Great food, great conversation, and the opportunity to catch up with fellow members and families of the Society in Colorado await you. Kids and grandkids get a big kick out of exploring the fort, which is historically restored to its early days look and feel. As usual, the South Platte River Historical Society will cater the lunch with our traditional buffalo burgers with all the fixin's!

We will proceed after lunch and meeting, to the black powder range for firing of muskets. This is always a great experience and gives everyone a feel for what it was like in 1775! There will be a range safety officer and experienced black powder muzzleloader Compatriots to ensure this is a safe and enjoyable time.

Please respond to me by completing and mailing the reservation form below with your check made out to COSSAR.

NOTE: RESERVATION FORM MUST BE RECEIVED BY NO LATER THAN August 2.

Please note that the younger ladies and gentlemen (12 and under) **EAT FREE!** We're looking for a great turnout and hope to see you there!

Patriotically Yours,

Clay Selby, Vice President, COSSAR

DIRECTIONS:

The Fort Lupton Historic Park and Rendezvous site is located along the scenic South Platte River just north of Fort Lupton, Colorado. The Park and Rendezvous site is approximately ½ mile west of Highway 85 on County Road 14 on the north side. Driving distances make it an easy day trip for those along the Front Range of Colorado. (Mileages are approximate.) • 9 miles west of Interstate 76 on Highway 52 • 10 miles east of Interstate 25 • 30 miles from DIA, Denver, Boulder, and Greeley • Less than one hour's drive north of most locations in the Denver Metro area.

Address for GPS is as follows: Fort Lupton Historic Park, 2001 Historic Parkway, Fort Lupton, CO 80621. Weld County Road 14 1/2 and 3/4 mile west of Highway 85.
